

## Milling Grade (unfertig)

Cism H Fis  
no time to mill your coffee to your own milling grade  
no time to inform you whats happening in your state  
no time to have the time to think about whats going on  
no time to mill these toughs into a tasty flavoured song

Cism H Fis A

Cism H Fis A  
everyone sometimes thinks he is too late  
Cism H Fis A  
and you're right, time is hard to calibrate  
Gis H  
but wait... wait...

Cism H Fis  
he tries to balance his life between all the requests  
she didn't reach her topics even when she give the best  
two hearts pulsate weaker under well dressed chests  
and downward their to-do-lists slips the satisfaction quest
