

# Nothing Wrong

Hm E  
Mostly i don't write these songs  
Em Fism  
about the breaking news  
Hm E  
also mother nature is  
Em Fism  
an infrequently muse  
Hm G  
i don't tell a story  
D A  
with message between the lines  
Hm E  
eighty nine percent of my songs  
Em Fism  
are stupid, but they rhyme

...but...

## Refrain

G A  
there's nothing wrong  
D  
with a song  
Cis  
that not belongs  
G  
to you  
A  
there's nothing wrong  
D D7  
with this song

G A  
it's maybe sad  
D  
but that's ok  
Cis  
the reason is  
G

A  
it's maybe sad  
D  
but that's ok

G A D C is G A D

Hm E  
Sometimes my brain is not,  
Em Fism  
as fast as it could be  
Hm E  
moments when there's nothing, but  
Em Fism  
a slowly melody  
Hm G  
and also sometimes there are words,  
D A  
that you don't understand  
Hm E  
but sometimes these words and melodies  
Em Fism  
walks slightly hand in hand

G A  
there's nothing wrong  
D  
with a song  
Cis  
that not belongs  
G  
to you  
A  
there's nothing wrong  
D D7  
with this song

G A  
it's maybe sad  
D  
but that's ok  
Cis  
the reason is  
G  
not you  
A  
it's maybe sad  
D  
but that's ok

Hm E Em Fis  
Hm E Em Fis  
Hm G D A  
Hm E Em Fis

Hm G  
you ask me "how could you be,  
D A  
this kind of shure?"

Hm G  
i ask you "do you believe,  
D A  
in any kind of cure?"

Hm G  
i don't tell you stories

D A  
with messages between the lines

Hm E  
ninety-eight percent of my songs

Em Em Em
