

the elevator song

D
you're sitting
G e
next to the elevator door
Hm A
between the first and second floor
D
and there is nothing

D
you're hoping
G e
the elevator brings you more
Hm A
it's cabin is a labrator
D
for human wanting

Bridge:

G e
the elevator brings you on up
Hm D
but the engine didn't stopp
G e
the automatic door stays closed
Hm D
eight from ten is sure the most
D
and first seven are gone long time before

D
you're looking
G e
at the display it says nine
Hm A
perhabs the last girl friend of mine
D
but she is upstairs

D
you're hearing
G e
the sound the elevator sings
Hm A
the ping that in your stomage rings
D
again descending

Bridge:

G e
 another one is stepping in
 Hm D
 a new big hope in the cabin
 G e
 the elevator lifts her high
 Hm D
 'till your étage and passes by
 D
 number nine is gone, i think she left at seven

Refrain:

D G Hm
 this is the elevator song
 A D
 it brings you up and even higher
 G Hm
 don't be scared, there's nothing wrong
 A D
 trust the 40 thousand pound wire

D
 i'm waiting
 G e
 for a new tour of the cab
 Hm A
 but it stays at seven up
 D
 is it not working

D
 i'm feeling
 G e
 that the machine is out of order
 Hm A
 it's up to me to cross the border
 D
 i'm going downstairs

Bridge:

 G e
i spend a long time here to wait
 Hm D
for the only one blind date
 G e
and as i'm going down with me
 Hm D
starts a long muted melody

 D
it sounds linke ten and i meet you as i step outside

Refrain:

D G Hm
 this is the elevator song
 A D
it brings you up and even higher
 G Hm
don't be scared, there's nothing wrong
 A D
trust the 40 thousand pound wire

D G Hm
 this is the elevator song
 A D
it brings you up and even higher
 G Hm
don't be scared, there's nothing wrong
 A D
except for one thing: don't use this on fire

Refrain:

D G Hm
 this is the elevator song
 A D
it brings you up and even higher
 G Hm
don't be scared, there's nothing wrong
 A D
trust the 40 thousand pound wire

D G Hm
 this is the elevator song
 A D
it brings you up and even higher
 G Hm
don't be scared, there's nothing wrong
 A D
except for one thing: don't use this on fire
